5500 Campanile Drive  
San Diego, CA 92182

Dear Colleagues,

Following the launch of the [University Strategic Plan](#), we have been thinking about our divisional strategic plan. In addition to seeking alignment with the university strategic plan, we have discussed our efforts to focus on engaging as a division to further share the division and its impact.

In order to do this in a thoughtful way, a divisional strategic planning committee is being charged and two co-chairs have been identified, Andrea Dooley, Associate Vice President for Health, Well-Being & Accessibility and Jacob Alvarado Waipuk, Chair of Tribal Relations, Tribal Liaison. We are also seeking two additional members to join the committee.

A number of committee members have been identified to represent the broad ranging diversity of our division. The committee, its charge, and timeline will be shared with the division once established. There will also be multiple opportunities to engage in the process during the months to come.

We are seeking two additional committee members from our division who serve in staff (non-MPP) or faculty roles to further support comprehensive representation on our division's strategic planning committee. Serving on the divisional planning committee will require approximately 2-5 hours per month and is to go until Spring 2022.

If you are interested in serving on the divisional strategic planning committee, please submit your self-nominations using this [form](#) by Wednesday, March 17.

All submissions will be reviewed by the committee co-chairs and VP Wood. Decisions will be made based on our objective to ensure comprehensive representation on the committee.

Andrea Dooley  
Associate Vice President for Health, Well-Being & Accessibility

Jacob Alvarado Waipuk  
Chair of Tribal Relations, Tribal Liaison
